

# OLDHAM AQUATICS

## Mission Statement

We aim:

1. To enhance and promote aquatic disciplines.
2. To develop and guide athletes to their full potential.
3. To actively support the pursuit of excellence.

Athletes in our club are encouraged to improve their discipline through our unique team spirit. Oldham Aquatics enable our athletes to reach their true potential. We assist the athletes to pursue high levels of achievement by encouraging them to reach County, Regional National and International levels of competition.

Oldham Aquatics provide a competitive aquatic program, through a challenging, fun and supportive environment; whilst promoting goal setting, life skills and sportsmanship.
